**AREA OF COVER:** TREATMENTS AND MEDICAL SERVICES RECEIVED ANYWHERE IN THE WORLD ARE COVERED UNDER THE POLICY, SUBJECT TO THE REIMBURSEMENT RATES, CEILINGS AND EXCLUSIONS OF THE POLICY. HOWEVER, SERVICES AND MEDICATION PROVIDED OUTSIDE THE COUNTRY OF THE STAFF MEMBER'S DUTY STATION ARE COVERED ON THE BASIS OF THE PREVAILING COST PATTERN WITHIN THE COUNTRY OF THE STAFF MEMBER'S DUTY STATION.

SUMMARY OF STANDARD EXCLUSIONS

We confirm that this patient has medical coverage through our intermediary. Services rendered will be covered as displayed if:

1. the date of service is within the coverage dates (1)
2. the medical services are covered by the benefit plan
3. the medical services are **medically necessary** (2)
4. the charges are **reasonable and customary** (3)

General exclusions:

1. If no cost estimate has been provided prior to the admission, the coverage can be limited to the reasonable and customary charges.
2. Any balance due after our payment is a responsibility of the patient.
3. Personal comfort items (*e.g. drinks, telephone charges, etc.*) are excluded from coverage.
4. Cosmetic treatments (*performed to improve appearance or self-esteem*) are excluded from coverage.
5. Robot surgery requires prior approval. Please send a medical report with information on the diagnosis, planned treatment and justification.
6. Experimental treatments (4) are excluded from coverage.
7. Pre-existing and chronic conditions are only covered if accepted by the medical consultant at the time of enrolment.

8. Services for which payment is illegal under applicable law.

Please contact us:

1. in case of work-related injury or sickness (*as these costs may be covered through a separate policy/plan*)
2. should you have any questions about these exclusions

*(1) Depends on confirmation of eligibility dates through the employer*

*(2) Medically necessary care are services or supplies that are:*

1. *required for the essential health needs of the patient and not for the convenience of the provider or the comfort of the patient,*
2. *consistent with the diagnosis,*
3. *consistent in type, frequency, and duration with scientifically based guidelines determined by generally accepted medical research,*
4. *rendered in the least intensive setting appropriate.*

*(3) Reasonable and customary charges are those usually invoiced by the majority of health care providers for the same or similar medical service in the country where treatment is provided and that do not exceed the normal charges of your facility*

*(4) Experimental treatments are those that the existing peer-reviewed, evidence-based scientific literature has not demonstrated to be safe and/or effective for treating or diagnosing the medical condition for which their use is proposed.*
